Re: United States v. Orlando Wong, et al.
23 CR 133 (JMF)

May 12, 2025

Dear Judge Furman:

I write to request a 60-day postponement of Mr. Wong's sentencing. Assistant United States Attorney Qais Ghafary does not object to the application.

Sentencing is currently scheduled for May 28, 2025. The defense is continuing to work to resolve factual issues relevant to the loss, restitution and forfeiture calculations contained in the PSR. We have requested certain information from the USAO and Polar related to the underlying freight shipments that we believe is highly relevant. These will, I believe, be relevant to the Court's analysis of the guidelines and the Section 3553 factors at Mr. Wong's sentencing, and will likewise affect the Defendant's sentencing submission.

Accordingly I seek a 60-day adjournment of Mr. Wong's sentencing, to a mid-July date convenient to the Court and parties.

Respectfully,

David Wikstrom
